## SUMMARY

BCA student looking to pursue opportunities in front-end development. Proficient in ReactJS, with a keen interest in utilizing my skills to create dynamic and user-centric web applications. Dedicated to continuous learning and contributing to meaningful projects to enhance my coding capabilities.

## EDUCATION

### Srinivas University

*Bachelors of Computer Application CGPA :7.4*

Mangalore, Karnataka

*Nov. 2021 – Present*

### GHSS Pallikere

*Higher Secondary Education, Computer Science CGPA :6.8*

Kasaragod, Kerala

*Nov. 2019 – 2021*

## PROJECTS

### Voyago React Js, PHP, MySQL, Ajax

</> [Code](#)  [Live](#)

- Developed a robust driver booking system using React for the frontend.
- Integrated PHP and MySQL for backend functionalities, including real-time bookings.
- Implemented features such as location checks, user authentication, and data management.

### Real-Time Chat Application PHP, JavaScript, MySQL

</> [Code](#)  [Live](#)

- Developed "ChatApp," a real-time chat application using PHP, MySQL, and JavaScript, featuring secure instant messaging.
- Implemented user authentication, profile management, and active status display for a seamless chat experience.
- Designed a responsive and intuitive interface for easy navigation across multiple devices.

### Portfolio React js, Node js, CSS3

</> [Code](#)  [Live](#)

- Created a personal portfolio using React.js, Node.js, Express.js, and CSS3, deployed on Vercel.
- Designed a multi-page layout with responsive design, ensuring compatibility across devices.
- Customized styles using React-Bootstrap and CSS for a visually appealing interface.

### Pristify React js, Node js, Express js

</> [Code](#)  [Live](#)

- Developed a Lightroom Preset Selling Website using React.js, featuring user authentication and secure payment integration.
- Implemented a preset showcase, shopping cart, and streamlined purchase process for seamless user experience.
- Designed an admin panel to manage presets, users, and orders efficiently.

## TECHNICAL SKILLS

**Languages:** Java, Javascript, HTML, CSS, C++, PHP

**Frameworks & Components:** ReactJS, Ajax, ASP.NET, TailwindCSS, Bootstrap, REST APIs, Next Js

**Databases :** MongoDB, Mysql, Firebase

**Tools & Technologies:** VS Code, Visual Studio, Git, Github, Netlify, Firebase, Vercel, Postman

**Design :** Canva, Figma

## Achievements & Extra Curricular activities

- Participated in a Open Source Project 2021 organized by Dev Masters.
- Participated in a web design competition in 2023 organized by St Aloysius College Manglore.

## INTEREST & HOBBIES

Anime / Reading books / Traveling / Listening Podcasts | Video Editing
