Kasargod, Kerala

June, 2019 - 2021

Srinivas University

Bachelors of Computer Application CGP: 6.67

Mangalore, Karnataka

Nov. 2021 – Present

Projects

Olx Clone | React, Firebase

- this React OLX Clone, a fully functional and dynamic web application built using React.js and Firebase.
- This project aims to replicate the user experience of a popular online marketplace, allowing users to post ads, browse listings, and interact with a real-time Firebase backend.

My-Portfolio | ReactJS

- Designed and built a personal portfolio website showcasing skills, projects, and achievements.

Car Rental Website | ReactJS

- This project seamlessly integrates cutting-edge technologies to provide an intuitive, responsive, and secure car rental experience.

Chat Application | PHP, JavaScript, Ajax, MySQL

- Whether you're connecting with friends or making new ones, ChatApp provides a seamless and interactive platform for real-time conversations.
